Resumen

Este repertorio bibliográfico, cuya extensión aconseja publicarlo en varias entregas, se propone cubrir lo más exhaustivamente posible la producción científica sobre erotismo y sexualidad en la Antigüedad (y en menor medida también sobre *Women and Gender Studies*) en los últimos cincuenta años, incluyendo una selección de estudios anteriores de particular importancia.

Abstract

This analytical bibliography, whose scope makes it advisable its publication in several deliveries, proposes to cover, as exhaustively as posible, the scientific production of the last fifty years on eroticism and sexuality in Greek and Roman Antiquity (and also, to a lesser extent, on Women and Gender Studies), including a selection of previous studies of particular interest.
