I Wish I Was a Mountain és una adaptació teatral i poètica del conte *Faldum* de Herman Hesse, realitzada pel poeta anglès Toby Thompson.

En aquest conte un mag concedeix un desig a tothom que li ho demana. Tothom demana coses materials, com diners i carruatges, menys un home que li demana convertir-se en una muntanya.

Agafo prestat el títol del poeta, imaginant-me que em fong en la muntanya, submergint-me en un món bell i contemplatiu, caòtic i ordenat a la vegada, sense presses i amb raons de pes per seguir sent.
