*Editors-in-Chief*

<sup>1</sup> *Department of Economics, University of Oviedo, Spain*

<sup>2</sup> *Department of Business Administration, University of Oviedo, Spain*

Starting this Volume 12, as usual, this Editorial Note reviews the features of *Economics and Business Letters*, EBL, an online letter-type journal, free both for authors and readers, with the following structure: indexing, journal statistics, metrics, most cited papers and acknowledgements.

### 1. Indexing

*Economics and Business Letters* (EBL, Econ Bus Lett) is indexed in ESCI - Emerging Sources Citation Index (Web of Science, Clarivate Analytics) from 2015, and in Scopus from 2017. In addition, EBL is also included in the Academic Journal Guide 2021. Finally, EBL is indexed in Econlit since 2017, ERIH Plus and other databases and repositories. For more details about indexing & abstracting, please visit: <https://reunido.uniovi.es/index.php/EBL/about>.

### 2. Statistics

Table 1 reports submissions to EBL in 2012-2022. Since 2012, we have received 1,652 manuscripts, with an overall acceptance rate of 18.40 per cent. Our policy relies mainly on a high percentage of desk rejections to benefit both authors and referees, minimizing the time and effort of authors, reviewers and editorial board.
